Breakfast:

8:20 am – 8:40 am

School starts at 8:45 am

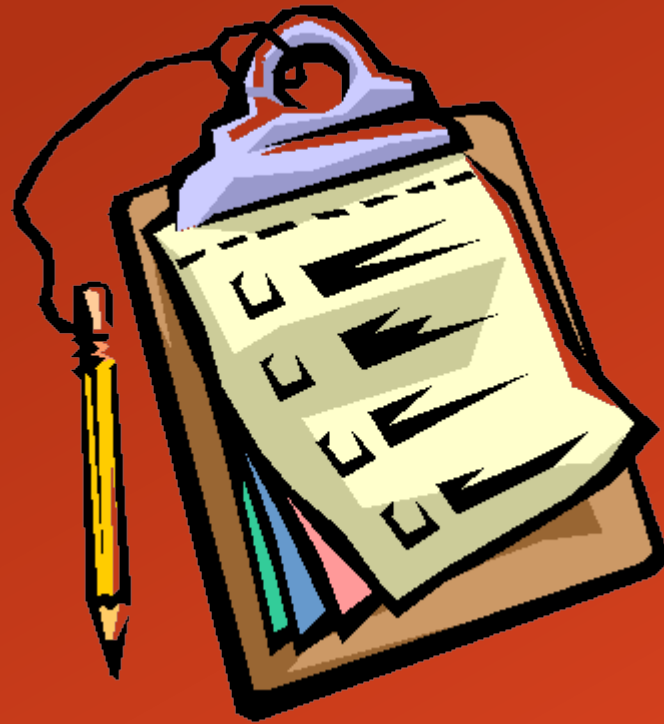

**All students should be in class and ready to
learn!**

Course Offerings for 2018-2019: Charting a Path for Success!

Presented by Lake Como School K-8 Staff

May 17, 2018

Registration Process

Charting a path for success!

Placement in Core Classes

❖ Counselors schedule students in core courses (Language Arts, Math, Science, and Social Studies) based on the Accelerated Course Matrix (ACM). The ACM is provided to all schools by the district. The report takes into account performance for the previous 2 years in the following areas:

- FSA Reading History
- FSA Math History
- Grades History
- i-Ready Reading and Math Scores

All Middle schools in OCPS will be one-to one with a digital device.

Core Courses

Promotion Requirements for high school:
Students must pass 3 years of 4 required core classes

<u>Core Courses</u>	<u>6th Grade</u>	<u>7th Grade</u>	<u>8th Grade</u>

APPROVED

Academic Electives:

Spanish

Spanish 1 is a high school credit course. The grade that you earn in this class will appear on your high school transcript. This course introduces students to the Spanish language and its culture. An introduction to reading and writing is also included as well as culture, connections, comparisons, and communities.

Spanish 2 is also a high school credit course. The grade that you earn in this class will appear on your high school transcript. Spanish 1 is a pre-requisite for Spanish 2.

9 Amazing Reasons Why You Should Learn a New Language

1. Meet new people and develop life-long friendships
2. Have fun while learning something new
3. Soaked into a new culture and become more open-minded
4. List in your CV more than one language is valuable
5. Increase your brain power in the same way exercise builds muscles.
6. Develop confidence when you got constant positive feedback from native speakers
7. Become friendlier to locals when you speak their native language
8. Travel more to exotic places and know the world better.
9. It is just cooler

Academic Elective: PLTW

Project Lead The Way – focuses on aerospace/engineering technology with certifications and standards. Students use laboratory investigation, scientific research, and problem solving to test new technologies and find real world solutions. **Semester 1** – students apply the concepts of physics, chemistry and nanotechnology to STEM activities and projects. **Semester 2** – students play the role of medical detectives as they analyze genetic testing results to diagnose disease and study DNA.

Performing Arts Elective: Band

Band - Students develop foundational instrumental technique, foundational music literacy, and aesthetic musical awareness through rehearsal, performance, and study of high-quality band literature. These are some of the instruments used in Band:

- Woodwind: Flute, oboe, clarinet, bassoon, clarinet, and saxophone.
- Brass: Tuba, trombone, trumpet, Euphonium, trumpet, and French horn.
- There are some performances that you will be asked to participate in throughout the year. Band classes are listed below:

Band 1 - Beginning Band

Band 2 – Concert Band

Performing Arts Elective: Orchestra

Orchestra - Students focus on the development of instrumental technique, musical literacy, performance skills, and increasing aesthetic awareness through study, rehearsal, and performance of a variety of high-quality orchestra literature. Study includes the development of foundational instrumental ensemble techniques, performance skills, music literacy, and aesthetic awareness.

- These are some of the instruments used in Orchestra: Violin, viola, cello, bass.
- There are some performances that you will be asked to participate in throughout the year. These are the options available for Orchestra:

Orchestra - Beginning

*** Orchestra - Intermediate**

*** Orchestra - Advanced** Music is what feelings sound like!
I'm with...

The
Orchestra

Performing Arts Elective: Chorus

Chorus – Students begin and expand vocal technical, musical, and ensemble skills through rehearsal, performance, and study of high-quality choral literature and also develop an appreciation of music from around the world and through time. There are some performances for students to participate in after school throughout the year. These are some of the options for Chorus:

Chorus 1 - Beginning

Chorus 2 – Concert Choir

Do you enjoy
Singing?

Performing Arts Elective: Art

Art - Students explore media and techniques used to create a variety of 2-D artworks through developing skills in drawing, painting, printmaking, and collage. This course incorporates hands-on activities and consumption of art materials. Students explore media and techniques used to create a variety of 2-D artworks through developing skills in drawing, painting, printmaking, and collage. Students practice, sketch, and manipulate the structural elements of art.

The options for Art are:

Art 1 – Beginning Art

Art 2 – Intermediate Art. Art 1 is a pre-requisite.
